Standard Size - Non-Glare

The ultimate tournament sleeve. Our popular textured matte back in combination with a smooth and clear non-reflective front, make these sleeves exceptional for streaming, feature matches or video content.

- 100+ sleeves per box.
- For cards measuring 63x88 mm’s (2 ½’’x3 1/2’’).
- The combination of materials provides superior handling and shuffle-feel while optimizing play in bright conditions.
- Now with even sturdier cardboard, designed to fit 75+ sleeved cards.
- Label atop each box for easy organization.
- Brand new, spectacular dragon artwork, depicting a unique, dynamic world.
- Original, collectible stories included on the back of each box.

Black, AT-11802
Standard Size – Art Sleeves

Dragon Shield Art Sleeves are printed directly on the sleeve and do not peel or split. Customers can enjoy world-class Dragon Shield quality without whitening edges, broken images, cracks or creases. Art sleeves feature stunning artwork on either the smooth Classic back or a textured Matte back.

- 100+ sleeves per box.
- For cards measuring 63 x 88 mm’s (2 1/2” x 3 1/2”).
- Clear front with art on back of each sleeve (see front of box for art).
- Collect all of the original, gorgeous fantasy artwork.
- Original, collectible stories included on the back of each box.

Add Perfect Fit sleeves for maximum card protection. Perfect Fit sleeves fit cards even closer, and go inside all Standard Size Dragon Shields.
Standard Size - Perfect Fit

Brand new Dragon Shield Perfect Fit sleeves provide even more protection against spills and accidents. Perfect Fit sleeves are designed for double-sleeving — they fit inside all Standard Size Dragon Shield sleeves.

Choose between “Clear,” with a clear front and back, and “Smoke,” a semi-transparent colorization designed to hide card back details through even the lightest color sleeves.

- Available in top loading and side loading and resealable varieties.
- Each package contains 100+ sleeves.
- For cards measuring 63x88 mm’s (2 ½”x31/2”).
- Proprietary PVC and acid-free polypropylene sleeves. Archival safe.
- 50/100 µm quality thickness.

All Dragon Shield Gaming Boxes are infused with a dragon’s strength and durability to offer ultimate protection for your cards between games. Available now in three varieties.
Strong Box

The Strongbox is made of strong acrylic, tough enough to withstand a Dragon’s Fangs, and features a tight fitting lid, which covers the entire box, making it completely dust and splash proof. A discrete groove makes the boxes stackable.

- Strong, sturdy, and stackable.
- Tight fit for extra security.
- Safely contains 100 Dragon Shield-sleeved cards.
- Available in 13 colors.

“The ‘Magic Carpet’ storage box offers an easy and stylish way to store and transport your cards. It combines elegant design and a strong magnetic seal for premium protection. The exterior can be separated from the storage tray and used as a Playmat, so you always have one handy, when you are transporting your cards.

- Magnetic deck box that separates into a satin lined 667x350mm (26 1/4”x13 3/4”) playmat and a deck tray.
- The deck tray fits:
  - 7 Standard Dragon Shield 100 sleeve boxes or
  - 6 Dragon Shield Deck ShellsTM or
  - 500 double-sleeved cards or
  - more than 1001 unsleeved cards!”
Playmats

Dragon Shield Playmats come in two varieties: the classic Staple Edition Playmat and the brand new Limited Edition Playmat. All Playmats measure 40x60cm (15 1/2"x23 1/2") and features a soft fabric surface and a non-skid rubber back, providing ultimate protection from any unwanted surface scuffs.
Staple Edition Playmat

The classic and evergreen staple edition Playmat. These playmats are perfect for artists and illustrators, since they can be drawn and painted into whatever artistic fantasy you might have.

• Stylish white or black, ready to play with out of the box
• Ideal for artists and illustrators
• Includes one of three collectible coins, each with unique colors, designs, and lore: Bronze (common), Silver (rare), Gold (ultra rare).
• Combine your collectible coin with the ridges along the triangular case for easy life total tracking during your games.

Card Codex
Zipster Binder

This exclusive binder style portfolio is made for exchangeable standard sized pocket pages. It features a soft, padded cover with a Dragon Shield zipper closure, making sure your cards never leave the Zipster Binder unintentionally.

- Reinforced cover (hidden acrylic sheet inside)
- Free samples of 16 and 18-pocket pages in both non-glare and clear included
- Every Zipster Binder has a label pocket on the spine for personalization
Binder Pages

Our pocket pages are made with a new technique, in which the clear PP is folded around the right edge of the page, making these pages uniquely soft to the touch and pleasant to flip through.

16/18-Pocket Clear
- 50 tough polypropylene binder pages.
- 16/18 sideloaded card pockets/page.
- Ultra clear pockets on a black textured backing.

16/18-Pocket Non-Glare
- 50 tough polypropylene binder pages.
- 16/18 sideloaded card pockets/page.
- Soft frosted surface that reduces the glare from hard light sources.

All pages measure 235x292mm (9 1/4”x11 1/2”).
All pages made for standard size cards measuring up to 63x88mm (2 1/2”x3 1/2”).
